Somewhere today an eight-year-old will cross a busy street—

an eight-year-old with long,

long thoughts, but very care-

Sure, he's been told, without a

But, after all, he's only eight—

WELCOME, NEW VOTERS

The Democratic Town Committee welcomes all new voters in Bethel, regardless of party affiliation. Since some of you will be voting for the first time, it might be of interest to review our voting laws and procedures.

Who may vote? Anyone who is a citizen of the United States and of our State of Maine who is 21 years old, who can read and write, and who has not received aid from the town poor account within the last 90 days prior to the election. (There are some exceptions pertaining to people under legal guardianship, etc. Take up such cases with the selectmen as they have the authority to decide what names are placed on the voting list.) You must have been a resident of Maine for six months and of the town in which you plan to vote for three months. You must be registered. To accomplish this simply fill out a card, sign it and see that it is returned to the selectmen.

Now you are properly registered, your name is on the voting list, you have thoroughly studied the qualifications of the candidates and issues and arrive at the polls between 10:00 A. M. and 7:00 P. M. on election day. Bethel's four election clerks are Mary Paine, Arthur Herrick, Edith Rowé and Celia Gorman, any of whom will be glad to answer any questions you wish to ask. Here are a few reminders about marking your ballot.

Be sure to put the X's in the boxes provided and not out on the margin of the paper.

If you wish to vote for someone, whose name is not printed on the ballot, cross out the name of the person listed under the office he is running for, write in the name of the person of your choice and put an X in the box opposite.

If you put an X in the box at the top of the ballot, it means that you are voting for all the candidates of that party, you may put X's opposite their names also but it is not necessary.

If you wish to vote for some of the candidates in each party, omit the cross at the top of the ballot and put the X's opposite the name of each candidate of your choice.

Sometimes your ballot may be "defective". For example, you have put an X in the box at the top of the ballot which means that you are voting for all the candidates of that party. Then as you read down the list, you notice a candidate from the opposing party for whom you wish to vote so you put an X opposite his name. This means that you have voted for two people for the same office, the ballot counters do not know which one is your choice so vote does not count at all for that particular office.

Sometimes the ballot reads, "Vote for one" and you put in two X's. This too would be a "defective" ballot.

A "spoiled" ballot is thrown out and your vote does not count in any way. The most common examples of this are erasing or writing anything on the ballot other than the proper X's in the boxes or the names of write-in candidates. Do not sign your name. Anytime you think you may have spoiled your ballot, simply take it back to one of the election clerks who will mark it "Cancelled" and give you another one. You are entitled to three, one at a time of course.

Maybe some of you are not sure just which party you wish to be enrolled in; you may register as an Independent, and you may change your party enrollment at any time by filling

out a new registration card

and giving it to the selectmen.

These were used as guidelines for the discussion periods which followed. The Dept. of Education plans to use the teacher suggestions received during the conference to make a final revision of a curriculum guide.

GOULD ACADEMY

Election of Class Officers
During the past few months, junior and senior class officers have been elected at Gould Academy. As yet, the freshmen class has not elected its officers.

Seniors: President, Lincoln (fourth year); Vice-President, Ashcraft; Secretary, Allen; Treasurer, Cummings.

Sophomores: President, Grover; Vice-President, Lapham; Secretary, Kneeland; Melanie Bernier; Gould Traveler.

Another tourney between Gould Academy and Norway on conference play has won only one point for the Bridgton team and the speedway team has been beaten by the speedy Norway team.

It should be a good year for Gould 47-St. Ignatius.

Gould Academy won 2-2 here last Saturday, trouncing St. Ignatius 47-0.

Continued their winning streak by allowing only two first downings late in the game.

Successful passes showed considerable improvement with Foster and

turns at showing.

In the first period carried the opening yards to the 40 yard line. Gould marched to the 50 yards, racking down, with Alex Melville place-kicking from five yards.

Gould Travels to Norway

Another tough Western Maine clash is in store for Gould Academy as they travel to Norway on Saturday. In conference play the Huskies have won only from a weak Bridgton team and have fallen to Mexico and South Paris. The team has been improving, but the speedy Norway backs could give them plenty of trouble. On the strength of Norway's 18-0 win over Old Orchard last Saturday, they are favored to win. It should be a good game.

Gould 47-St. Ignatius 9

Gould Academy made its record 2-2 here last Saturday by trouncing St. Ignatius High of Sanford 47-0. The Huskies continued their fine defensive work by allowing the visitors only two first downs, both coming late in the last period on successful passes. The offense showed considerable improvement also with Cummings, Parent, Foster and Rice taking turns at showing the way.

In the first period, Don Rice carried the opening kick-off 34 yards to the 41 yard line. Gould marched the remaining 59 yards, racking up three first downs, with Alex Foster scoring from five yards out. Owen Melville place-kicked the extra point.

The Huskies scored twice in the second period. The drive was started after Scott Cummings made a punt return to his 49 yard line. In eight plays Gould covered the 51 yards with Foster again scoring, this time on a three yard drive. Melville place kicked. St. Ignatius got a bad break soon after as their center snapped the ball over the kickers head with the ball rolling back to the 10 yard line. Gould took over and on the fourth down, Steve Parent plunged over from the two yard line. Melville place kicked. The score at half time was 21-0.

Early in the third period St. Ignatius was held for downs on the 46 yard line. With some five yard dashes by Rice and Parent the ball was soon on the 10 yard line from where Don Rice scored.

Later in the same period Cummings connected with Rice for 21 yards and on another play, Cummings raced 24 yards to set up the next T. D. Dick Moody raced around the end for 11 yards to score. The score at the end of the third period was 33-0.

Saunders, John Trinward, Charles Heino, and Paul Kainley, who discussed "Should a teacher take a political stand in the class room?"
